# Research and Development: Progress and Projects

Dr Becky Rowley

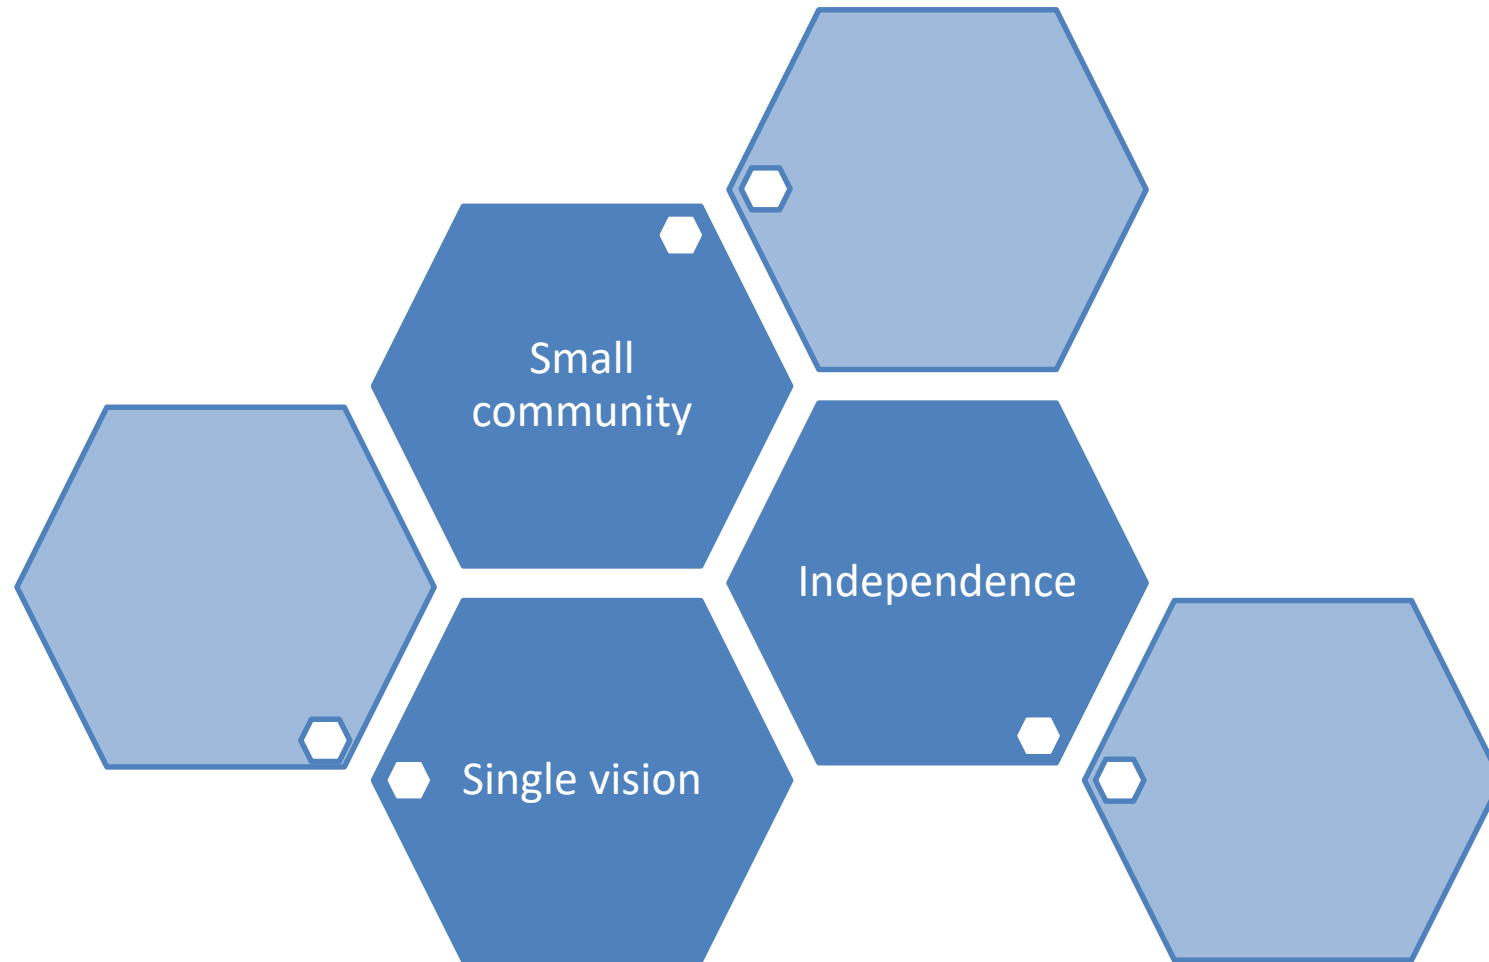

# Research

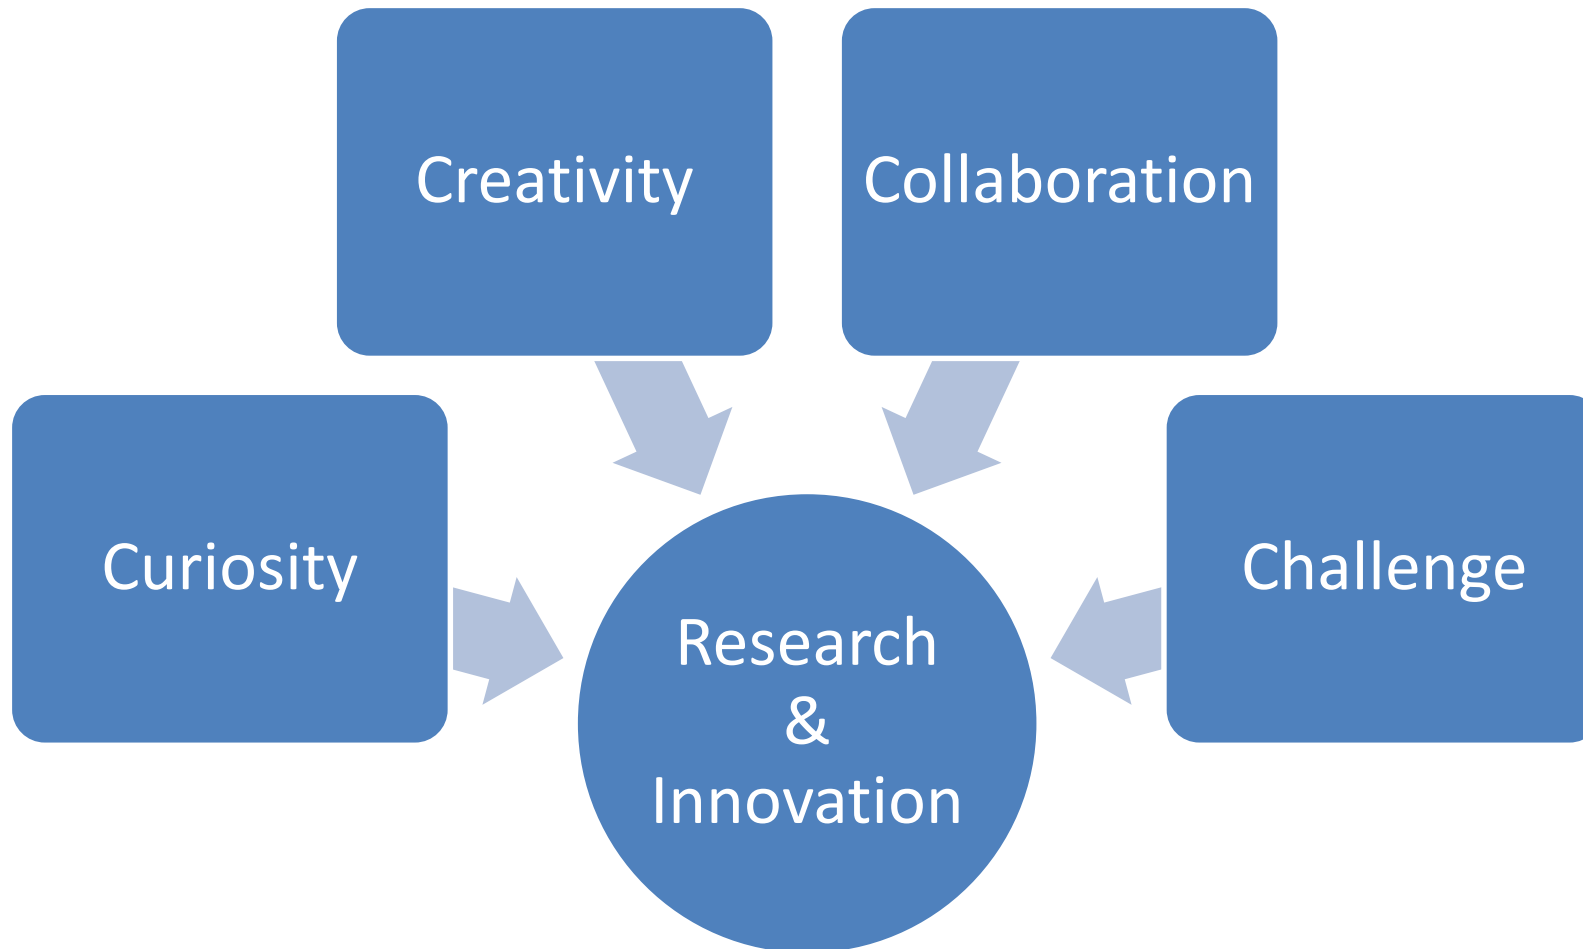

# Why?

- New knowledge
  - We can be part of wider solutions
  - The Island needs its own solutions
  - We recognise the importance of knowledge
  - Research engaged cultures thrive

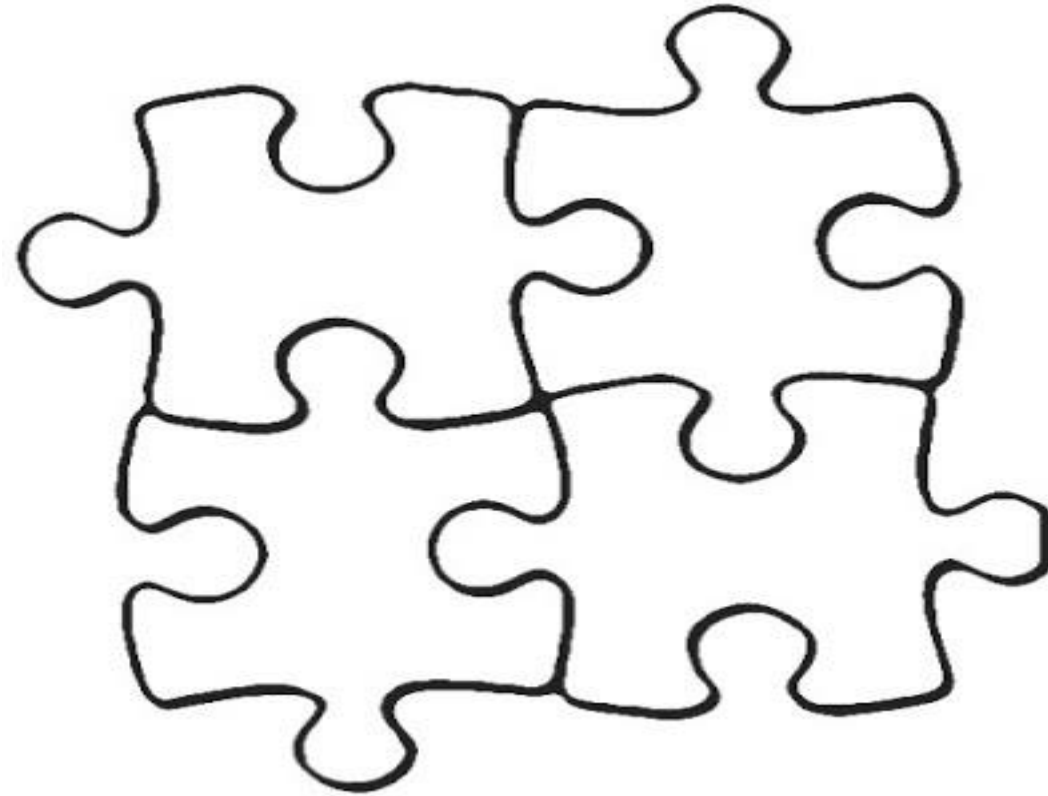

# Isle of Man

# Island of R&I

# Puzzle

# How?

- Governance
  - Pathway to research
  - Approvals – MHRA, IOMREC
- Education/training
  - Leading Cultures of Research and Innovation
  - Experience - internship
  - Critical appraisal course
  - Academic writing group
  - Critical friendship group
  - Engagement with Med Ed and DESC
- Career pathway for research
- Improvement/innovation
  - Clinical audit
  - Quality improvement
  - Supporting ideas

# How?

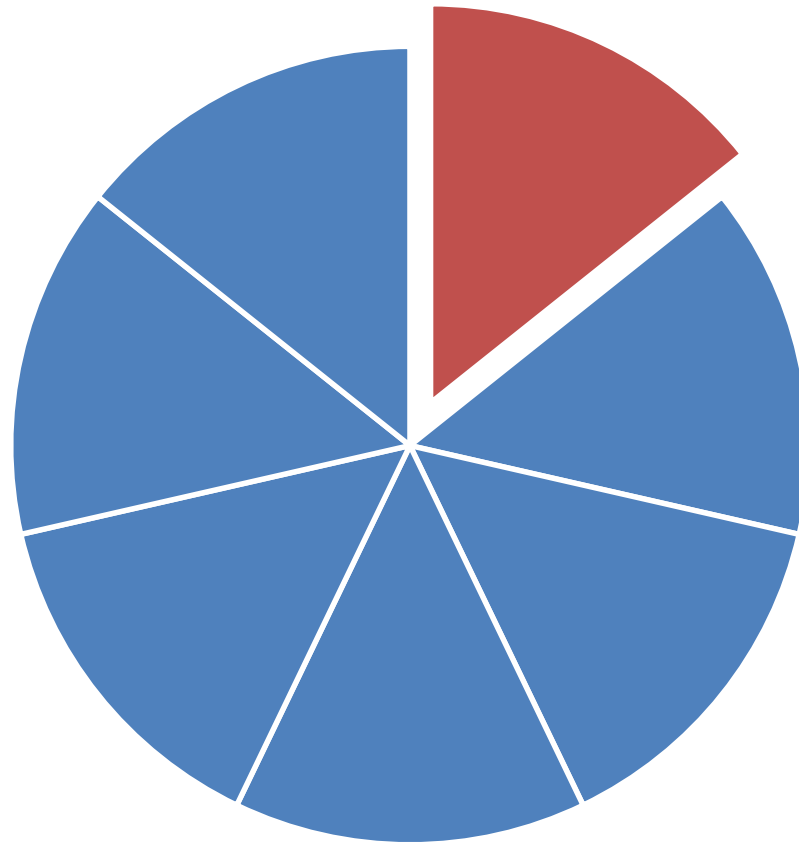

- Collaboration
  - Government
  - Charities
  - Industry
  - Individuals
  - Academia
  - PPIE
  - Other organisations on/off island
- Events
  - Research Café
  - Research festival
- Digital
  - Research repository
  - Website
  - Online application process
  - Blog

# R&D – a year on

 Underway

 Still to do

# Key R&D Messages:

- We can help you with research
- We are keen to support innovation
- If you want a say in how research in health and care is conducted on the Island – engage with us
- Yes – it isn't perfect (yet), we don't have all the answers BUT
- We **exist**, we **listen**, and we want to **help** progress research and innovation on the Island
- Keep in touch!
